Abstract Entry Form for Grades 4–12
Abstract Contest for the Alaska Science & Engineering Fair

Instructions for Submitting Your Abstract

1. **Type of Project:** Submit an abstract only if your project is an experiment. Do not submit an abstract for a collection, model, display, or demonstration. For group projects, submit one abstract with all the students' names on a single abstract form.
2. **Form Required:** Print and fill out this abstract form. This information will be used only to mail awards to students who are not present at the awards ceremony.
3. **Adult Sponsor's Signature Required:** Have your adult sponsor sign the statement at the bottom of the form. An adult sponsor is an adult teacher, parent, guardian, or mentor who can verify that the abstract is your own original work and written within the last year.
4. **Format:** Computer print, type, or neatly hand write your abstract in English on a separate piece of paper. Use white paper with blue or black lettering. Include your name and a project title that matches the title you've listed on the form. Staple the abstract to the abstract form. DO NOT use a plastic sleeve or binding folder.
5. **Length:** Your abstract should be between 100 and 250 words long. Abstracts longer than 250 words will be disqualified from winning a cash prize.
6. **Content:** Your abstract should briefly summarize or highlight the major points of your project, including your Purpose, Procedures, Data and/or Results, Conclusions, and Reflections or Application.
